## Kidd Island Road Reconstruction

# OPEN HOUSE

**LEARN MORE. ASK QUESTIONS. SHARE INPUT.**

**WHEN:** Tuesday, June 11, 2019, 4-7 p.m.

**WHERE:** Worley Highway District's Kidd Island Shop  
6887 W. Kidd Island Road, Coeur d'Alene

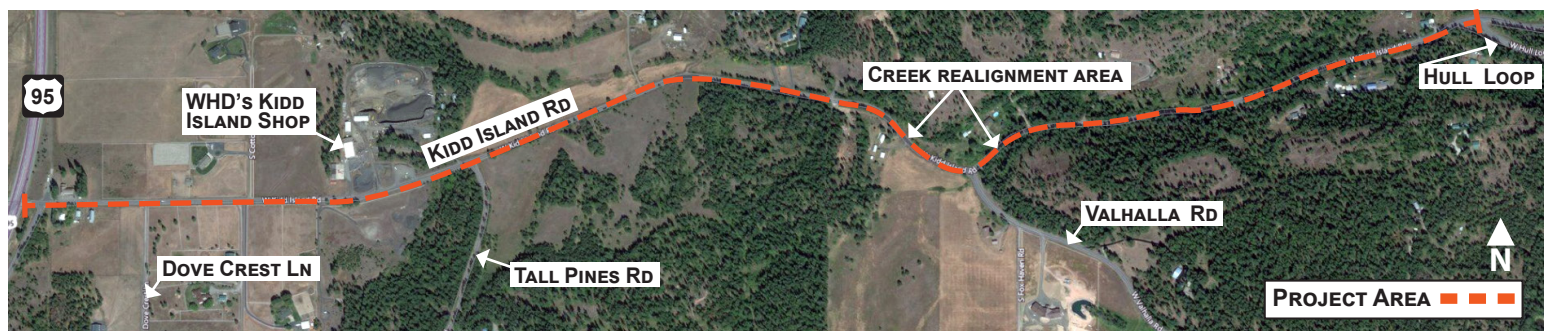

**WHAT:** WHD plans to reconstruct Kidd Island Road from Highway 95 to the west leg of Hull Loop Road. This event is an informational follow-up to the first open house for the project, at which the public selected the preferred design concept. After additional study, environmental coordination, and property acquisitions, the project is now in the last design stage and scheduled for construction in 2020.

This open house is an opportunity to learn about the final project design, provide input to a public hearing officer, meet the project team and ask questions. No formal presentation will be made, and light refreshments will be provided.

Any person needing special accommodations to participate in the public hearing should contact WHD 24 hours prior to the meeting at 208-664-0483.

The District assures that no person shall on the grounds of race, color, national origin, or sex, as provided by Title VI of the Civil Rights Act of 1964, and the Civil Rights Restoration Act of 1987 (Public Law 100.259) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity.
